

### **Dr. Sandra Swimberghe**

Dr. Sandra Swimberghe is an Antwerp based dermatologist who graduated from the Catholic University of Leuven in 1996.

In Antwerp she is associated with dr. Serge Coopman, who worked as a co-fellow at Harvard University and was a pioneer in laser treatment in Belgium.

She has a special interest in cosmetic dermatology which she practices on a daily base at the 'Skin Laser Clinic Antwerpen' and is also a trainer in a variety of cosmetic procedures. She is active in several continuing medical education courses and co-author of a number of books and publications about cosmetic dermatology and dermatology in general.

At the private practice she is responsible for treatment and follow-up of the patients with more severe psoriasis and therefore developed a special interest in the newer biological medications for autoimmune diseases. She participated in multiple studies regarding those treatments.

## BOTULOTOXINE
